

Thank you for considering the Glenwood Church of Christ in Tyler, Texas for your possible church family to join with for your summer internship.

We look forward to visiting with you during the Intern Job Fair

Here is a brief explanation for the Intern position.

1) While primarily a Youth intern position, the intern will offer training and experience in all facets of ministry. The Intern will work with the Preaching Minister, the Community Minister, The Worship Minister, as well as the Youth Committee. The idea is to experience all facets of ministry through teaching, preaching, worship, and engaging both the community within and without the congregation.

2) We prefer a student with some previous intern experience which will proved her or him with a situational awareness of appropriate behavior, and topics of discussion.

3) Glenwood Church is a church that seeks to welcome both male and female to seek ways to serve in their spiritual gift.

4)Glenwood Church will provide Standard Salary, Lodging, and Lunch and Evening meals.

5) The Intern can expect to

- Plan youth events in coordination with the youth committee and volunteers.
- Attend church camps with youth
- Teach the Sunday Morning Bible Class throughout the summer.
- Develop relationships with teens and parents
- Weekly meet with the ministry staff.
- They need to be joyful, patient, and kind.
- Ability to lead worship is a plus but not necessary
- Active enough to play games will be helpful in connecting with our particular group.

We are praying and hoping for an opportunity to be blessed and encouraged by a ministry student looking to share his or her gifts and heart with the Glenwood Church. We pray that we can be a blessing in the experience and training we can offer.

Grace and Peace.

Johnny Bond  
Community Minister

Here is a letter from our Worship Minister DJ Bulls.

Our Sunday Worship gathering is a highlight of our week at Glenwood. It's a central part of what we do as God's gathered people, and an important part of who we are as individuals and as a church seeking to model the love and welcome we have received from Christ. Sunday morning is one time that we all gather together, from the youngest to the oldest, in the presence of God to offer all of our hearts, souls, minds, and strength in worship. We offer him our praise and our prayer, we share in communion together, and we spend time together in His word.

There are a number of important areas in which we seek to spiritually lead the Glenwood family each week through worship and communication. Giftedness in these areas help to effectively lead and serve and lead the church through areas including, but not limited to:

Worship Leading (other settings and venues in addition to Sunday morning)

Worship Planning

Worship AV & Technology

Arranging

Composing

Working with Singers

Rehearsal Planning & Preparation

Interpersonal Communication

Teaching

Church Communication (print, video, verbal)  
Event Planning & Organization

Someone who comes to work with Glenwood in the worship ministry will also be presented with several opportunities to interface with other church leaders, worship ministers, and worship ministry leaders through kingdom opportunities that Glenwood participates in.

In His Name  
DJ Bulls
