Summer Internships

Elementary VBS

June 7-July 27

VBS Interns spend the summer ministering to elementary children at a 6 week VBS day camp. The summer is filled with singing, crafts, games, and lots of fun. Interns assist in picking up the children daily on vans or buses and share God's love to 400 children who attend the VBS program all summer long.

Middle School

June 5 - July 28

Middle School interns minister to and build relationships with our middle school youth daily. Interns are responsible for a route, a small group, organizing Bible studies, and service projects. Our ultimate goal for the summer to teach our middle school youth and their families to know, love, and walk with God!

High School

June 5- August 3

High School interns are a part of planning and implementing a Mission Trip, Wilderness Trek, camp, daily Bible studies, service projects, and other fun activities – all of which will involve the building of relationships with our youth and sharing the love of God with them. Interns are responsible for a route, leading Bible studies, and teaching our youth how to know, love, and walk with God.
