

Graduate Admission Standards

Application Process

Applications for admission to Graduate Studies at the university are available on the university web site, in the Graduate Studies office, or in academic offices with graduate programs. Applications must be submitted no later than four weeks prior to the beginning of a session.

State law requires the meningitis vaccine for students, which must be received at least 10 days before but not more than 5 years before the first day of class. Students 22 years or older by the first day of class or students enrolled only in online courses are exempt. See www.lcu.edu/meningitis for more information.

After applications are processed and required documents are received, the applicants will be notified of their admission status. Applicants are not accepted until an official letter of acceptance is issued. For further information regarding the application process, please contact the Graduate Studies office at 800-933-7601, 806-720-7599, or graduatestudies@lcu.edu.

Admissions Considerations

- The university is open to all persons regardless of race, color, gender, age, religion, national origin, or disabled condition who are otherwise eligible for admission as students.
- To be considered for admission to distance education programs, the university must have prior state authorization to enroll students from the state of residence.
- The university will exercise due diligence and may deny admission to otherwise qualified individuals who have a history that indicates their presence might endanger members of the university community.

Admission Standards

Applicants must submit an official transcript bearing a baccalaureate degree with a minimum of 120 academic hours from a regionally accredited college or university. Courses taken for the degree must include a minimum of 39 upper level hours. Hours awarded for life or work experience will not satisfy upper level requirements. Students on probation or suspension at other institutions are not eligible for admission.

Appeals for Admission

Admission for Undergraduate Students

LCU undergraduate students who are within 12 hours of earning a baccalaureate degree, and who meet all other unconditional graduate admission requirements, may be permitted to concurrently enroll in undergraduate and graduate coursework as programs permit. Students will be prohibited from enrolling in more than 15 hours of combined graduate and undergraduate hours, and will be limited to 6 graduate hours or less during the long semester. If eligible for financial assistance, the student will only be awarded aid for the undergraduate-level enrollment.

LCU students who are within 12 hours of completing their baccalaureate degree may be conditionally approved for pre-enrollment in an LCU graduate program. Enrollment as a conditional student is limited to 6 graduate hours. Continued enrollment at the graduate level, re-evaluation of academic standing, and eligibility for graduate-level financial aid will be determined only upon successful posting of a baccalaureate degree. Undergraduate students are not eligible for admission to the MSN-FNP track.

Non-Degree Admission

Individuals may apply for non-degree seeking status if desiring to transfer earned graduate hours to another institution. Non-degree admission is not available to the MSN-FNP track.

Required documentation will include:

- Application and application fee
- Official transcript(s) showing a bachelor's degree and any previous graduate work
- Students wishing to transfer graduate hours to another institution must provide a Letter of Good Standing as documentation of enrollment in a university graduate program and the approval of that university to enroll in coursework at LCU.

Students admitted with non-degree seeking status are prohibited from earning more than 12 semester hours at that status, and no more than 12 hours earned in that status can apply towards a degree, if part of the degree plan. Students admitted as non-degree seeking, are not eligible for financial assistance and must reapply for admission each enrollment period.
