

Undergraduate Admissions Standards

Lubbock Christian University is open to all persons regardless of race, color, gender, age, religion, national origin, or disabled condition who are otherwise eligible for admission as students. In all university educational programs and activities, students are treated without discrimination in their participation. The university may exercise due diligence and deny admission to otherwise qualified individuals who have a history that indicates their presence might endanger members of the university community. To be considered for admission to distance education programs, the university must have prior state authorization to enroll students in the applicant state of residence.

Applicants are admitted as first-time beginning students and transfer students. First-time beginning applicants either have no post-secondary educational experience or have advance college credit earned while in high school or the summer immediately following high school graduation. Transfer applicants have post-secondary educational experiences such as college or trade school.

To be considered for admission, an application for admission must be completed and submitted with payment of the non-refundable \$25 application fee. First-time beginning applicants must apply using the deadlines listed under the unconditional admissions section. Other applicants must apply no later than June 30 for fall entry and December 1 for spring entry. Applications received after the deadline will be considered if space allows. Admitted first-time beginning applicants must confirm their intention to enroll by remitting a non-refundable \$200 tuition advance, which will be applied to their initial tuition bill. Deadlines for remittance of the tuition advance are June 1 for summer or fall entry, December 1 for spring entry, or prior to registration, whichever comes first. First-time beginning applicants accepted after the deadline must remit the tuition advance within two weeks of the date of the acceptance letter or prior to registration, whichever comes first. Documents establishing eligibility for admission must be official.

Students 22 or older by the first day of class are exempt from meningitis vaccine requirement. See www.lcu.edu/meningitis for more information.
