

Veterans Benefit Information

The university is approved for veterans programs except the Hazelwood Act. Depending on the program and eligibility, veterans may be paid a monthly allowance, tuition and fees, a housing stipend and/or book stipends from the Veterans Administration while attending college. Children of military members who died while on active duty may also be eligible for benefits. Applications for benefits should be completed and submitted on the VA website at www.gibill.va.gov. Veteran admission files must be complete and academic plans approved before the certification officer certifies enrollment for benefits. Complete veteran admission files must contain complete admissions documentation, an official military educational transcript, a copy of the DD Form 214, and a copy of the VA certificate of eligibility. Only classes meeting degree requirements are eligible for certification of benefits. Changes in major, class schedule and substitutions must be reported to the VA within a limited time frame, so each change must be discussed with the certification officer at the time of the change. Contact the certification official at janice.stone@lcu.edu or (806) 720-7270.
